During times of inclement weather, local radio and TV stations are notified of school closings. Announcements are usually aired around 6 a.m. We follow the decision of Madison city schools since we are located within their jurisdiction, therefore if Madison City schools are closed, we will also be closed.

If delayed openings are announced we will honor those. However, if the delay is more than two (2) hours, we will not have school that day. Based on the starting time of 7:40 a.m. for elementary schools we will honor a two hour delay and plan to open at 10:00 a.m.

If it is announced that schools will be dismissed earlier than our regular dismissal time of 1 p.m. for anticipated weather issues, we will honor that decision also. You are encouraged to come for your child as soon as you are aware of the early closing. Check your local TV/radio stations when severe weather appears imminent.
